Re: Congoleum Corporation - Lone Pine Landfill Site  
Our File No.: 1288

Dear Ms. Kolenberg:

Enclosed are source documents regarding waste disposed of at the Lone Pine Landfill site by Congoleum Corporation. Since preparation of the original waste-in compilation for Congoleum Corp., we have received additional documents further clarifying waste disposal. Upon further analysis we discovered that some waste, included in the compilation of data, had been hauled to Chemical Control Corporation, Elizabeth, New Jersey, rather than Lone Pine Landfill. Additionally, a few typographical errors exist in the compilation of data and we therefore submit the following errata list.

Would you kindly revise the compilation of data, submitted on behalf of Congoleum Corporation on February 2, 1989, to reflect the following:

Page 5	8/26	Change 45 to 42D
